Inspiration and Aspiration

Everything we can be, with Christ in our hearts. That's our motto, and that's what we focused on this week. We thought about the world of work and our dream jobs. You often hear the phrase 'living the dream', and that's what it felt like today when our parent volunteers inspired the children. Such a pleasure and credit again to our children for their attitude and conduct throughout. A wonderful day, and money raised for a wonderful charity. Have a great weekend!

When I grow up I want to be...

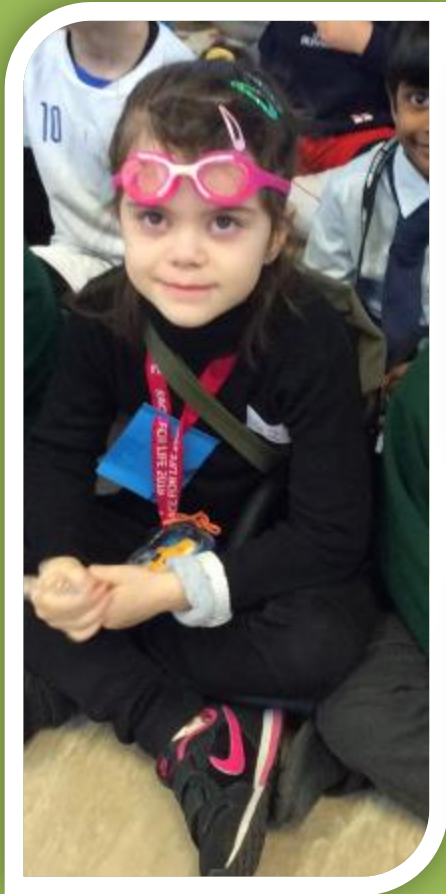

The most popular 'dream job' when I was growing up was Train Driver, but in 2018, the range is dizzying – artist, investigator, primary teacher, marine biologist and...Prime Minister, to name but a few!

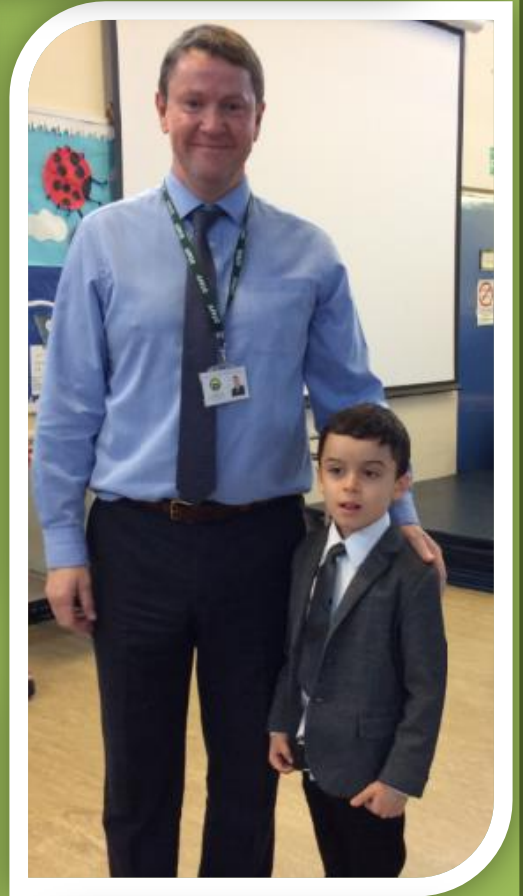

The inaugural SJV Aspirations Day, in support of Rays of Sunshine children's charity, was a huge success, and so enjoyable.

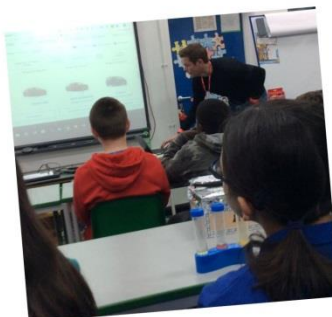

We did no 'work' today, but we talked about work all day long. Our brilliant parent volunteers, so generous of their time and expertise, shared their experiences of the world of work with our children and were happy to answer all questions that were thrown at them! Thank you – we are so grateful.

Have a look at the montage on the website, and the brilliant rendition of 'A Million Dreams' from the whole school at the end of the day. If that was not enough – our ever-present 'Friends of SJV' ran our end-of-day cake sale, very popular with all concerned. Thank you too, to Mrs. Cassidy and Mrs. Alfonso, who did ALL the preparation and organisation. All of it. Thanks!

Enjoy our photos from Aspirations day, [and be sure to visit the website](#) to view the montage and the whole school version of A Million Dreams! What a day...
