## Newsletter

Edition: 2015-16 / 6 (15th July 2016)

*"Everything we can be, with Christ in our hearts."*

To the outside world, the second half of the Summer Term may seem like a relaxed and laid back drift into the holidays—nothing could be further from the truth! We have had an extremely busy week here at school and the children have particularly loved taking part in Fun and Fitness Week. We have enjoyed (in no particular order): Dancercise, Early Years, KS1 and KS2 sports days, cooking, sewing, model making, pilates, football, all nicely topped off with the teacher Vs Year 6 rounders match (they won—easily)! We also had a visit from the world's most eminent Bubbleologist. He was certainly the tallest Bubbleologist you would ever meet!

Looking forward to next year (already), you will find details below of your child's teacher, and I know that everyone will build on the positive year that we have had this year.

In next week's newsletter, I will be confirming dates for next academic year, so please keep an eye out for those.

### Leaving us this year

After many years of loyal and dedicated service to this school, its pupils and its families, we say farewell to two long standing members of staff: Ms.

Bracaliello and Ms. Whyte are both moving on at the end of this year.

In addition, both Ms. Patel and Mr. Swanson are moving onto fresh challenges.

I am sure that you would like to join me in thanking all of them for their service, enthusiasm and for the goodness they have provided for the many, many children that have passed through their considerable care.
