*"Everything we can be, with Christ in our hearts."*

**Careful what you wish for...** last week I wished for some sunny weather and we got it alright! We finish this half term in near-sweltering conditions - people are getting tired, hot and bothered, cranky and ready for a break. The children, however, have been brilliant! They, as you will see, have had a typically eclectic week, giving it their all as usual. A special 'Well Done' to our Year 2 stars this week, who completed the last of their SATs tests with, I might add, an impressive mixture of effort, determination and humour. We are all so very proud of your hard work and for being brilliant all year!

### After School Club

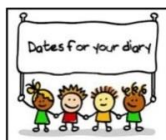

We are in the process of agreeing arrangements for an After School Club, in association with West Green Primary and Grassroots, a specialised ASC provider. After half term, we will be seeking firm commitment for September for those interested. Please watch this space.

### The Thin Blue Line

This week, the children at SJV were treated to an en-masse visit from PC Liam and our local constabulary. Year 5 and 6 were given time to discuss and reflect on the important issues internet and road safety; our visitors were impressed our children's depth of knowledge and intelligent questions. Then...they got to try stuff on! And sit in a squad car! What's not to love?

Cagney, Lacey and friends!

"Resist arrest? I don't think so..."

Starsky and Hutch?

PC Liam and team spent all morning visiting classes, answering questions and giving the children an insight into their jobs, their motivation and the important work they do. Filled with invaluable tips in keeping safe, it proved a real hit with the children. In a week where our emergency services were so rightly praised, it was great to meet some of our own local heroes up close.

"What does this button do?"

"Come quietly now sir..."

# Competition Time!

PC Liam has asked that we help with a very special day for Hornsey Police Station. They are having an 'Open Day' for members of the public on 5th August 2017, and he wants US, the children of SJV, to design the advertising poster for them! No pressure there then (gulp)! When we return from half term, you will ALL get the chance to design your poster in class, the best from each class will be judged...and then, there will be ONE OVERALL WINNER, that will be on the posters and advertising around the borough! Good luck everyone!

Dear Children of St John Vianney,

The Police need your help!

On 05/August 2017 from 10am to 4PM Hornsey Police Station will be having an open day for members of the public. **For this we need some amazing posters to hand out.**

Your mission is to make a class poster, it must be A4 in size and can have any drawing or design you like based around the police and emergency services.

The poster however must have a picture of a police station on it and the time and date and the address of the police station.

- Open Day
- 05/August 2017 from 10am to 4PM
- Hornsey Police Station, 98 Tottenham Ln, London N8 7EJ

A **special guest will be judging** and also giving out the award to the winning class.

All students will receive a certificate for taking part, however the winning class will be given a special trip to a Met Police Specialist Unit and get to see areas that are normally off limits to the public. **There may even be some animals to see!**

All posted need to be ready by June 30<sup>th</sup> at 3PM. Good Luck!

# Buddy! Can you spare the time?

Class 6 and Class 2 marked the end of their SATs experience with a perfectly lovely visit to the local park. The sun shone beautifully on their day, and a great time was had by all. The Year 6s took their 'Buddies' under their wing all morning and it was heart-warming to see how this bond is still strong after 3 years!

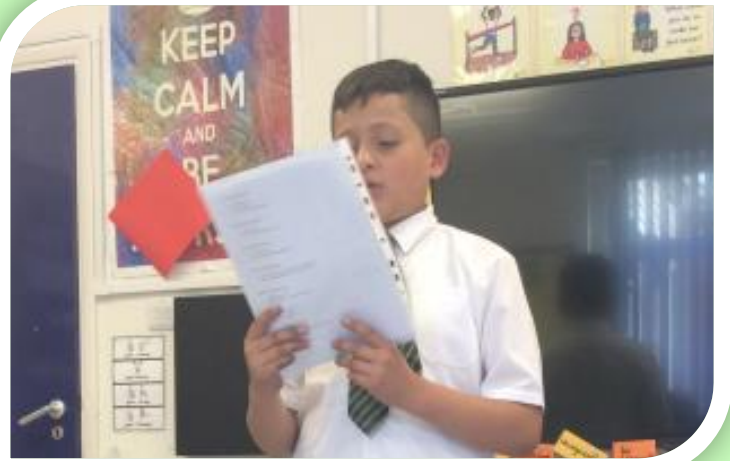

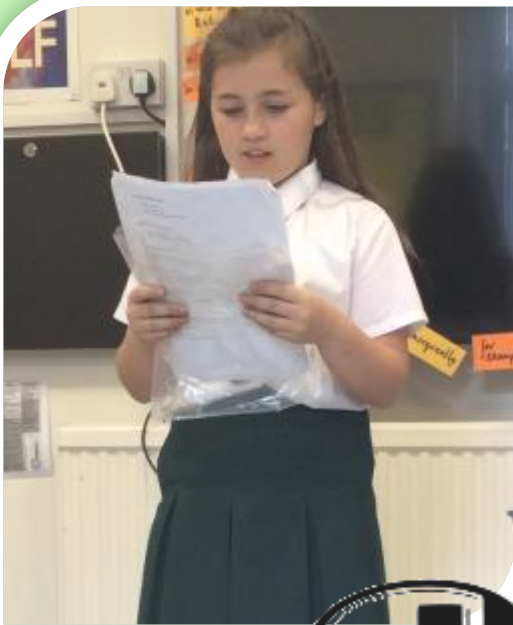

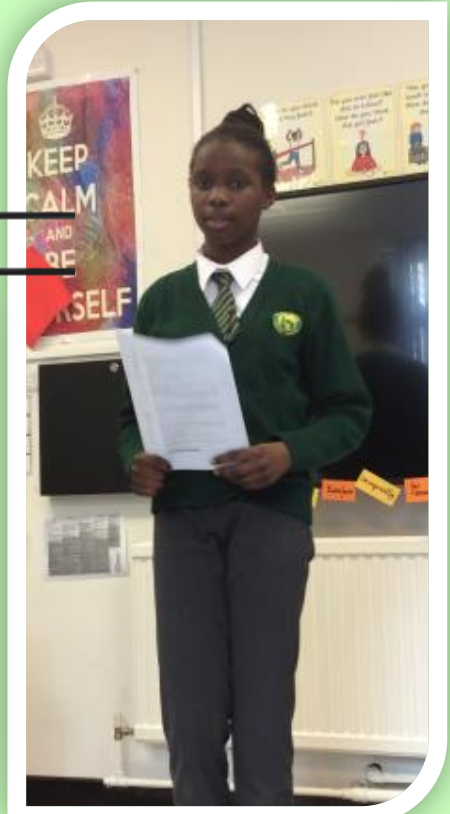

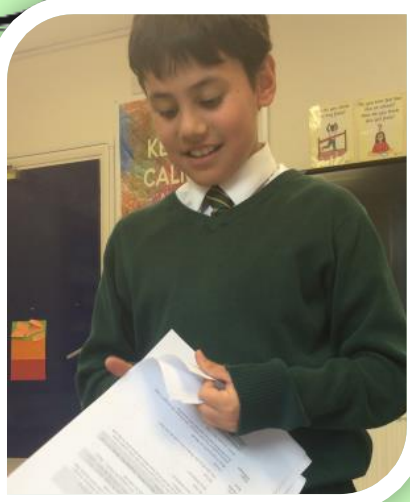

# So you wanna be a stage star?

Some very exciting developments up in year 6 this week – the boys and girls (or should it be guys and dolls?) held their auditions for the Year 6 end-of-year production, “Bugsy Malone”! It is testament to this group that ALL of them auditioned for parts, and ALL of them have signed up for the weekly after school workshops. Amazing! They were happy to sing / act in front of the panel of Mr. Quin, Mrs. Kavanagh and Shannon Kavanagh, which takes some courage, I can tell you! Mr. Quin / Simon Cowell comparisons would be obvious and lazy, so I won’t make them...

I have been told that all those long hours in front of the TV watching American shows has paid off – they all have impeccable accents! Good luck everyone – soooo looking forward to this!

# “Make it 3D....”

This was my usual, wooly, non-specific direction with regards to the new display boards that are in the main hall. You will not be surprised by the creativity and brilliant writing of our children, but you will be astounded by the creativity and imagination of our support staff team who, this week gave the children the best possible showcase of their work. Please come and have a look when you are next in – yes, they all have 3d elements, but they are so much more than that! They are an outstanding celebration of great work.
