Under The Sea, Reception Style!

Today, our Reception class made another important milestone at the school – their first ever assembly! They delighted everyone by sharing the highlights of their Under the Sea project, and showed just how far they have progressed this year. Well done Reception Class and to Ms. O'Donnell for working wonders!

Nursery Visit SJV Church

After Reception Class's road trip last week, Nursery Class were determined not to be outdone – they made their very own pilgrimage to St. John Vianney Church! They have been learning about the special signs, symbols and artefacts to be found in a church, and made the trip to see them for themselves. We were also very fortunate to be given a guided tour by our very own expert – Fr. Joe! He made the children very welcome and patiently showed them all of the special things they have been learning about.

Fake News!

By Harry Porter

Quick, before
someone notices!

You may think that, from this picture, 'we came, we saw, we conquered', as the Romans say. However, this is our newly formed SJV Girls' football team 'practising' for the glory that is surely only a matter of time!

Our fun-loving girls took the opportunity to grab a nearby trophy and strike a pose. However, what is NOT fake is excellent football they played today.

Our Y5 girls' and boys' teams represented the school today with style, both reaching the quarter finals of the St. Thomas More annual 6-a-side.

Out of 16 teams in each category, this was an amazing achievement, especially considering that some of the girls had not even played football before – you could've fooled me!

Well done boys and girls – the glory days are just around the corner: remember this photo!

Skill...

Determination....

Looking resplendent in our newly minted SJV football kits, our teams did us proud today. The whole class cheered on as we progressed from the group stages into the knockout phase. A great competition, and a springboard to better things?
