

We Need Your Votes for Our Playground

As I am sure that you are aware, we have been trying to raise money to fund the creation of new and exciting fixed playground equipment to make playtimes for your children more exciting and energetic!

We have been successful in getting through the Tesco 'Bags of Help' grant application process, and our playground project is now in Tesco stores, ready to receive your votes!

Please , please help us to be successful in this by

- a) Shopping in one of the stores (right)
- b) Using your 'Voting Units' to vote for our project
- c) Cross your fingers!
