"Everything we can be, with Christ in our hearts."

Welcome back

Year 6 and Year 2 SATs out of the way, we know that the last half term of the year is upon us – and it's as manic as ever!

Alongside the usual end-of-year assessments, including the Year 1 phonics screening tests next week, we are able to start thinking about Year 6's production, sports days, the Peace cup and all of the wonderful community events that mark the end of the year.

And what a community – before half term, to end Autism Awareness Week, Mrs. Kavanagh (the human drone) captured us all (shouting 'this is me!') in a perfect moment of togetherness.

[Please take a look at the Autism Awareness music video that the children put together with Ms. Kavanagh – it really is something for us all to proud of.](#)

Have a great weekend – this one can't be ruined by underperforming football teams, so kick back and enjoy!

Miraculous Medal

Year 4 and Reception in Heart-warming Ceremony

When I find myself in times of trouble...

The Beatles' 'Let it Be' has become the soundtrack to this beautiful SJV tradition. Year 4 formally welcome their Reception Buddies by awarding them the Miraculous Medal in this week's assembly. We are reminded, like the Mary in the Beatles' song (actually Paul McCartney's mother, fact fans), Jesus' blessed mother Mary is there to intercede for us in times of trouble, speaking words of wisdom when we need them.

Well done to Year 4 for being great role models and for Reception for being their usual brilliant self. Another fine crop of boys and girls for SJV, I'm sure you'll all agree!

Autism Awareness Cake Sale

Well done to all who helped and contributed to the cake sale – it raised much needed funds for this great cause, and it was another success for the SJV community spirit.

Reminders and Notices

Dear parents and carers,

As you may already be aware, Haringey council runs a music service that offers a wide range of instrumental tuition and ensemble music making to children attending schools in the borough. Part of this service is to make private lessons available to children within the school day i.e. the children are taken out of class for their lesson and so there is no onus on parents/carers to shuttle the children about after school or on weekends.

If you are interested in your child taking up an instrument, please click on this link for further information on fees and schedules.

<https://www.haringey.gov.uk/children-and-families/schools-and-education/services-pupils/haringey-music-service/instrumental-teaching>

You can post an application form or alternatively apply online.

It is important to note that an instrument teacher can only be sent to the school when a **minimum number** of applications are received for that particular instrument. The school is also somewhat limited in the space it can provide to peripatetic teachers so your child may be put on a waiting list if demand is high.

The music service does also provide a range of options for Saturday morning tuition at Gladesmore Community School which is done at very competitive rates.

For more information on this and any other options for making music please visit the Haringey council website: www.haringey.gov.uk/children-and-families/schools-and-education/services-pupils/haringey-music-service

Healthy Friday at SJV!

Another Friends of SJV event, another huge success! This week, we ended the week on a natural high – fruit smoothies, fruit kebabs and all manner of healthy snack were the order of the day. Delicious!
