"Everything we can be, with Christ in our hearts."

Tough Crowd...

One of our Governors recently visited Nursery as part of her role and reported back to the Governing Body last week in glowing terms about her experience: "I didn't want to leave!" is a direct quote. She spoke of the way that everyone was included, and of about how music is used to motivate, teach and to ensure that the children have fun. They were also visited recently by a professional, one of the parents from the class, who whipped them into a frenzy of singing and dancing! Then...it was my turn! I was invited down to lead a rendition of 'Yellow Submarine' (in keeping with their 'underwater' theme), and I was promised by Ms. Preval that they would 'sing along like pros'. And they did! I had a great time. This crowd know their stuff and they LOVE singing, which is a wonderful thing – well done to Ms. Preval for putting music centre stage. I was even invited to stay for the 'Whale Dance' – looking back at the footage, and at my 'dancing', I was put in mind of Teresa May's ill-advised boogie at the Conservative Conference. This footage will never see the light of day; I much prefer to 'remember' how joyous Nursery class were, giving it their all, having fun and learning loads!

Everything we can be, with Christ in Our Hearts

Free

Peacefully Forward

Year 6 start the 'Long Goodbye'

One more step along the world I'll go...

So goes the lovely song, traditionally sung by those moving onto new pastures! Our year 6s attended a liturgy, along with all the other year 6s from the boroughs Voluntary Aided schools, marking the end of their time at primary school. It's been a long journey, full of laughter and tears, and their work is almost done. The children enjoyed some wise words from the Mayor of Haringey, who asked them to remember the lessons they have learned at primary school, and to bring them with them as they move on.

As educators, we hope that they remember ALL their learning – a tall order, and a bit wishful, in truth! But we DO want them to remember the guidance, love and friendship they have developed here – each have had their share of the care and dedication of the staff over the years and, along with the strong example from their parents and families, this will help them to succeed next year; to be resilient and to take ever more steps along the world.

"One more step along the world I go, one more step along the world I go; from the old things to the new keep me traveling along with you And it's from the old I travel to the new; keep me traveling along with you"

Year 5 Football

Year 5 boys and girls took part in the annual St. Thomas More football tournament on Friday. In the glorious sunshine, they did us proud. They did not pass the group stages (despite a mathematical error), but they loved every minute!
