Newsletter

Edition: 2019-20/ 130 (17th January 2020)

"Everything we can be, with Christ in our hearts."

We Are One In The Spirit

The St. John Vianney Catholic Primary community is well and truly back up and running for 2020, and we are, indeed, one in the spirit – parents, staff, governors, Fr. Joe and the children have all been active and busy already and last Friday took the time to be together to ask for God's blessings on the year ahead.

We initiated our half-termly focus this week - Looking After Yourself. These focussed assemblies allow us to discuss the things that enable the children to thrive on an ever-changing and challenging world. The 'four cornerstones' of this are:

- Looking after each other
- Looking after our world
- Looking after our communities
- Looking after yourself

We agreed that Looking After Yourself is the most important! We are unique in God's eyes and we must learn to manage our feelings, keep fit, eat healthily and to stay safe from all that the world can throw at us! A tough job, but with you as parents, our school and our faith to guide and help us, we can ensure that we all emerge from this school ready and able for the next stage.

Traitorous Times!

Class 5 and Class 1 Explore Tudor London

Divorced, Beheaded, Died, Divorced, Beheaded, Survived!

Class 5 and Class one teamed up this week to visit the Tower of London as part of their Tudor London and 'Bright Lights Big Cities' topics. Year 5, above, are looking at the view that many unfortunates saw for the last time before they were locked away in the Tower, never to emerge. This entrance was reserved for the worst of the worst – traitors! Class 5, on the other hand, are the best of the best and managed to return unscathed!

Also...[CLICK HERE for a sneak preview of their Tudor assembly with an impromptu song at Tower Hill tube](#) – I'm looking forward to this one already – book early!!!

Tudor fun for Year 5 – they wear it well!

Year 1 at the Tower of London: Our troop experienced the Big City this week, taking in the sights and visiting the Tower to get their topic off to a flying start.

BOOKS! BOOKS! BOOKS!

A delegation from SJV trekked up to Muswell Hill this week to buy more books for our school library. Following the amazing efforts of our children in the sponsored read, we have a huge order on the way, and the staff at this bookshop have been brilliant in helping us organise and stock the library with the best there is! Well done to our brilliant children – can't wait to share those books!

Minor Ailment Service in Haringey

A service that allows people who don't pay prescription charges to obtain advice and treatment for common conditions from local pharmacies for FREE without needing to visit a GP.

How does it work?

Simply telephone or walk into your local Haringey pharmacy and ask if they deliver the Minor Ailment Service (currently the service is available in 45 pharmacies in Haringey). The pharmacy will then talk you through what you need to do to register for the service, if you are eligible.

You can also find a list of Haringey pharmacies on Haringey CCG's website:

www.haringeyccg.nhs.uk/services/pharmacy.htm

Will I still be able to see a GP?

Yes, if you want to, you can still have an appointment to see the GP or nurse. This is just another way that you can get advice and treatment without waiting for an appointment with your GP.

Can I use the service if I pay for my prescriptions?

No, but you can still obtain free advice from any pharmacy and buy the medicines you need from the pharmacy. Many medicines for common conditions cost less than the cost of a prescription charge (currently £8.05).

Why visit the pharmacy?

- Pharmacists are trained to treat common conditions such as head lice or a sore throat and can refer you to your GP if your illness requires a prescription medicine or a GP appointment.
- You will not have to visit your GP for a prescription or wait for an appointment.
- Your GP will be able to spend more time treating patients with more serious illnesses.
- This is a confidential and high quality service.
- Many pharmacies in Haringey are open in the evenings and on the weekends.

To find your nearest pharmacy, please use the search on NHS Choices – www.nhs.uk or call 0300 311 22 33.

What is the Minor Ailment Service?

Everyone can go to their pharmacist for advice or to buy medicines for common conditions such as athlete's foot or coughs and colds. The Minor Ailment Service helps people who need it receive free advice and medicine from a pharmacy without needing to visit a GP to get a prescription.

Who can use the service?

You can use the Minor Ailment Service if you or your child:

- 1 Are registered with a Haringey GP; and
- 2 Don't pay for your prescriptions*; and
- 3 Have one of the 24 common conditions listed in this leaflet.

*Does not include holders of a prepayment prescription certificate.

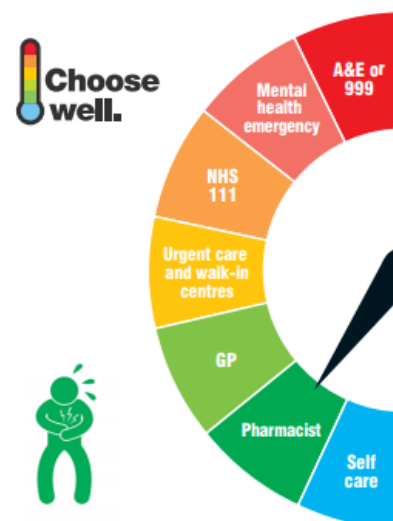

What are the conditions that can be treated under the Minor Ailment Service?

- Athlete's foot
- Back pain
- Cold sores
- Conjunctivitis
- Constipation
- Contact dermatitis
- Cough, colds and sore throat
- Cystitis
- Diarrhoea
- Dyspepsia and indigestion
- Earache
- Haemorrhoids
- Hay fever and allergies
- Head lice
- Headache and fever
- Insect bites and stings
- Minor injuries
- Nappy rash
- Ringworm
- Sprains and strains
- Teething
- Threadworm
- Vaginal thrush
- Warts and verrucas

What are the benefits of using the service?

Using this service means that if your pharmacist thinks you need it, they can give you a medicine without you having to pay for it. It will also save you making an appointment with your GP simply to get a prescription; giving you convenient access to the same advice you would get from your GP.
