### Assembly Season Rolls On

Batten down the hatches, indeed! Year 2 gave us a wonderful morning this week with the latest in SJV's tradition of all-signin', all dancin' assemblies! We all love these...yes, they are time consuming, yes they never look like they're going to work until the morning of the performance, but...they are a chance for the children to shine! And shine they do...from our charming Reception performances to our technically dazzling Year 6 productions, our children step into the spotlight and show us what confident stars they are.

I know parents relish these opportunities to share in their children's school life, and it is always a pleasure to see so many of you packed in to enjoy it with us.

We look forward to Year 1 next week and Year 5 the week after, and more to come after half term! Until then, it's goodbye from Year 2's Buccaneers! [Click HERE to see their Sea Shanty!](#)

### **‘Buckles’ well-and-truly ‘Swashed’ in Y2 Adventure**

The strains of a hearty sea shanty have been wafting the corridors this week and, today, we saw what it was all about! Year 2 presented their learning to a delighted audience of children (including Nursery for the first time), staff, parents and friends. We had science, history, geography, English, music, dancing, a fashion show, great acting, confident delivery, bad jokes and a whole pile of loveliness – what a way to end our week. Well done to Ms. Swan and her team of high-seas heroes! Agghhhhggg!

# Minor Ailment Service in Haringey

A service that allows people who don't pay prescription charges to obtain advice and treatment for common conditions from local pharmacies for FREE without needing to visit a GP.

## How does it work?

Simply telephone or walk into your local Haringey pharmacy and ask if they deliver the Minor Ailment Service (currently the service is available in 45 pharmacies in Haringey). The pharmacy will then talk you through what you need to do to register for the service, if you are eligible.

You can also find a list of Haringey pharmacies on Haringey CCG's website:

**[www.haringeyccg.nhs.uk/services/pharmacy.htm](http://www.haringeyccg.nhs.uk/services/pharmacy.htm)**

## Will I still be able to see a GP?

Yes, if you want to, you can still have an appointment to see the GP or nurse. This is just another way that you can get advice and treatment without waiting for an appointment with your GP.

## Can I use the service if I pay for my prescriptions?

No, but you can still obtain free advice from any pharmacy and buy the medicines you need from the pharmacy. Many medicines for common conditions cost less than the cost of a prescription charge (currently £8.05).

## Why visit the pharmacy?

- Pharmacists are trained to treat common conditions such as head lice or a sore throat and can refer you to your GP if your illness requires a prescription medicine or a GP appointment.
- You will not have to visit your GP for a prescription or wait for an appointment.
- Your GP will be able to spend more time treating patients with more serious illnesses.
- This is a confidential and high quality service.
- Many pharmacies in Haringey are open in the evenings and on the weekends.

**To find your nearest pharmacy, please use the search on NHS Choices – [www.nhs.uk](http://www.nhs.uk) or call 0300 311 22 33.**

# What is the Minor Ailment Service?

Everyone can go to their pharmacist for advice or to buy medicines for common conditions such as athlete's foot or coughs and colds. The Minor Ailment Service helps people who need it receive free advice and medicine from a pharmacy without needing to visit a GP to get a prescription.

## Who can use the service?

You can use the Minor Ailment Service if you or your child:

- 1 Are registered with a Haringey GP; and
- 2 Don't pay for your prescriptions\*; and
- 3 Have one of the 24 common conditions listed in this leaflet.

\*Does not include holders of a prepayment prescription certificate.

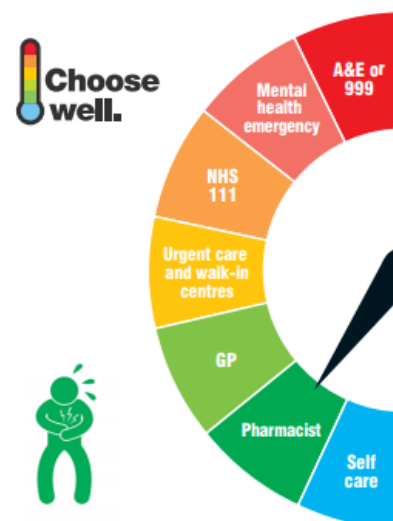

## What are the conditions that can be treated under the Minor Ailment Service?

- Athlete's foot
- Back pain
- Cold sores
- Conjunctivitis
- Constipation
- Contact dermatitis
- Cough, colds and sore throat
- Cystitis
- Diarrhoea
- Dyspepsia and indigestion
- Earache
- Haemorrhoids
- Hay fever and allergies
- Head lice
- Headache and fever
- Insect bites and stings
- Minor injuries
- Nappy rash
- Ringworm
- Sprains and strains
- Teething
- Threadworm
- Vaginal thrush
- Warts and verrucas

## What are the benefits of using the service?

Using this service means that if your pharmacist thinks you need it, they can give you a medicine without you having to pay for it. It will also save you making an appointment with your GP simply to get a prescription; giving you convenient access to the same advice you would get from your GP.
