*"Everything we can be, with Christ in our hearts."*

### Merry Christmas

There is a slight feeling of déjà vu about the end to this year, but I will absolutely focus on everything that is great about our school and our community. And everything IS great. We, teachers, parents and children, have had the 'kitchen sink of life' thrown at us in recent times and I am immensely proud of how we have all coped, adapted and moved on.

At this time of year, I frequently show prospective parents around the school and they are **always** in awe of what they see in the classrooms – hard working, respectful children getting on with their learning with humour and happiness. Who wouldn't want to be part of that?

From all at SJV, we wish you a Merry Christmas and a Healthy, Happy New Year!

## Reception:

The children in Reception class have worked incredibly hard this term they have settled into St John Vianney school life so well. This week I would like to nominate the whole of Reception class. I am proud of every single one of them! For their determination, perseverance and togetherness. I know that they will continue to work hard next term and continue to shine bright and show their best like they always do:) Well done Reception class!!

## Year 1:

This week I would like to award my star to **M** for her efforts in class with reading. She is trying so hard to use her sounds for unknown words and really enjoying the books, you are a great example to your reading group each week!

I would also like to award a star to **E** for your hard work in class, I can see that some things can be a challenge, but you are trying your hardest to do the tasks set. You are trying so hard with learning and remembering your sounds and using this more in your reading group. Keep up the hard work!

Year 2:

J- for being such an excellent role model, listening and trying her very best at all times. J- for super writing and including some great similes in his work

## Year 3:

I'd like to give **S** 'star of the week' for her hard work in maths. Even when she found things difficult, she persevered. She is also a very kind and caring girl who can always be depended upon to help others.

Also very deserving of star this week is **G**. He is consistently polite, hardworking and kind to everyone in the class. However, I have been particularly impressed by his increased confidence. He has become a true active learner willing to make thoughtful contributions in all lessons. Keep it up!

## Year 5:

Year 5 - Whole class!

The **whole class** thoroughly deserve their star of the week. They have worked hard this term across many curriculum subjects and have shown they are more than ready for the many challenges ahead of them (and there will definitely be challenges!) Their efforts were really typified this week through their performance in Mr McNicholas' History Quiz. They all showed themselves to be incredibly knowledgeable about the Anglo-Saxons! Well done all! (Q. When was the Anglo-Saxon period in Britain? A. 410 - 1066)
