Dear Parents,

This Thursday after school we will be taking part in Great British Spring Clean.

This is a great opportunity for our school community to come together to improve our local area, and to teach the children about the importance of looking after the environment.

The event is supported by the council and they will be providing litter pickers, gloves and recycling bags for the volunteers. Occasionally, hazardous or dangerous materials are discarded in the Stanley Road / Stanley Culross area. For this reason, any child who wants to take part in the Spring Clean event must be accompanied by an adult.

The council have asked us to take some photos of the event for publicity purposes. If you, or your child, do not wish to be photographed please inform Mrs Kennedy when you collect your items.

If you wish to take part, Mrs Kennedy will be in the playground after school handing out litter pickers etc.....Please ensure you return the pickers and litter bags to the school.(We will need to record the number of bags collected.) The event will last no longer than one hour.

We look forward to seeing you there. Let's work together to make our local area a better place for everyone!

Yours sincerely,

N. Kennedy
